

## GUIDE FOR PREGNANT CLASS 2B/2A/2 MOTORCYCLE LEARNERS

Pregnant Learners are to see a registered medical doctor to certify that they are **FIT** to attend practical riding lessons, simulator training and practical riding tests.

**The Certification Letter is to be endorsed by Customer Service Officer and to be checked by Traffic Police Department during office hours.**

Endorsement must be done before your next practical lesson and produced it on every practical riding lesson, simulator training and practical riding tests.

To avoid any inconvenience, below are the guidelines of what is needed to be in the Certification Letter.

1. **Certification letter with Clinic/Hospital letterhead**
2. **Date issued**
3. **Attention to: Whom it may concern**
4. **Patient's name**
5. **Patient's NRIC No./FIN**
6. **Clinic/Hospital Contact No. (Traffic Police Chief Tester might contact the Doctor for verification)**
7. **To certify that Learner is FIT for practical riding lessons, simulator training and practical riding tests from dd/mm/yy to dd/mm/yy. (Important: exemption for any riding maneuvers will not be considered)**
8. **Doctor's signature and Clinic/Hospital stamp**

Below is the **SAMPLE** of the Certification Letter.
